

Stainless Steel Foot Step-on Bin

* Pictured (left to right) 12L, 20L, 30L & 40L

Description

Classy rectangular fingerprint resistant, satin finished stainless steel foot pedal bin c/w plastic inner bin and soft closing lid. Each bin is carefully packed in poly bag, protective form (30L & 40L only) and carton box. Well and neatly packed for inland transport or export.

Good fitted, quiet operating lid prevent odor. Leak-proofed plastic inner bin with trash bag restraining hole is simple yet effective.

Users need not touch the lid while discarding food scraps, office discards, biohazard wastes, etc. Simply and effective step-on *Rod* (12L & 30L) or *Panel* (20L & 40L) Type foot pedal.

Small foothold with large volumes. Different capacities catering to different needs and applications.

Most ideal for posh hotels, cabins, stylish showrooms, modern commercial offices, F&B outlets, board/meeting rooms, clinics or hospital, beneath cashier counter, SOHO, pantries, cubicles, toilets, etc.

Model	Width (mm)	Depth (mm)	Height (mm)	Capacity (Litres)	Gross Wt. Per Carton (Kg) +/-
