HDMI Cables

Product Description

The RSPRO 2 metre male to male 8K HDMI cable which has a black PVC jack with mesh and an outer diameter of 7.3mm. The connectors have a gold flash covering to prevent corrosion.

The connector hoods are also made of Aluminium and sandblasted blue and has a strain relief to prevent the jacket splitting around the boot.

HDMI is possibly the most common display connection on the market which can be found on devices ranging from PC's, Blu-ray players, games consoles and more.
