

## Datasheet

### RS PRO USB2.0 4 Port Powered Hub

Stock number: 2406339

EN

The RS Pro USB2.0 4 port powered hub has a plastic shell with all 4 outputs on the front of the unit, a USB 2.0 B socket on the side which connects to the PC and has an LED to show when the hub is powered.

The power from the PSU is shared across all 4 ports providing consistent power to each port.

Our hub is perfect for connecting multiple USB2.0 devices to your computer at home or in the office, such as printers or external hard drives.

Our USB2.0 powered hub comes complete with a 5V 2A power supply and an 80cm USB A to B cable.

RoHS / REACH / CE / UKCA
