RS PRO Grey PVC Cat5e Cable U/UTP, 2m Male RJ45/Male RJ45

RS Stock No.: 528-0166

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

Brought to you by RS Pro, a range of angled Cat5e cables, perfect for network connections within the home, office spaces or any area requiring a reliable and high performing internet connection. Ethernet cables come in various shapes and sizes, but quality is something which should never be overlooked, as a reliable connection can make a huge difference to company performance. Due to the angled design of these network cables, they are ideal in situations where space is limited or can cause issues. All models are highly reliable and excellent quality.
