RS PRO Assorted Nylon Cable Tie, 150mm x 3.6mm

RS Stock No.: 233-691

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

RS PRO coloured cable ties are a type of fastener used for holding items together, most commonly electrical cables or wires. These cable ties are made from Nylon 66 (also known as nylon 6.6) and are a one-piece, self-locking fastener that functions like straps to keep cables tidy. Each pack contains 250 non-releasable cable ties, comprising 50 each of yellow, blue, red, green and orange to enable colour coding of cables or components. Ideal for cable and wire management.

General Specifications

Type	Non-Releasable
Colour	Assorted
Material	Nylon 66
Application	Automotive industry, Transportation, Aerospace Industry, Oil and Gas industry, Cable management, Home/DIY
Minimum Operating Temperature	-50°C
Maximum Operating Temperature	85°C
