RS PRO Tap & Drill Set

RS Stock No.: 668-1122

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

Introducing the 44 piece HSS (high speed steel) tap, die & drill set from our own brand RS PRO, a high quality and professional set ideal for a variety of DIY tasks. The combination of tap, die and drill bits is perfect for creating holes, tapping and thread cutting in a range of materials when used with a hand or power tool such as a tap wrench or power drill. The 44 piece set features a high speed steel construction for enhanced durability and resistance to corrosion.
