

## BLU STARRY 165N ISO

Inflatable Life Jacket

BLU2109101

BLU Starry 165N ISO Worker inflatable lifejacket is suitable for both inshore and offshore and whether you are on light clothings, workwear or wet weather gear. This lifejacket is made with robust and durable wipe clean 610D PVC front cover and cordura horseshoe neck with fleece collar, making it a practical and comfortable lifejacket.

Upon inflation, it will turn the user onto their back and keeps the head supported and the airway clear of water.
