

FEATURES

- Low power consumption
- High output xenon beacon
- Rugged design that will ensure its durability
- Three-point mount version

RS PRO Amber Xenon Beacon, 10 → 100 V dc, Flashing, Surface Mount

RS Stock No.: 235-988

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

This low current consumption Multi-Voltage Xenon Beacon from our own RS PRO brand is ideal for battery powered vehicles such as forklifts. The weatherproof Multi -Voltage Xenon Beacon is IP65 rated and supports side entry surface cables making it ideal for industrial applications.

General Specifications

Nominal flash rate	75 per minute
Bulb Type	Xenon
Light Effect	Flashing
Lens Colour	Amber
Magnetic type	No
Housing Colour	Black
Lamp Include	Yes
Multifunction	No
Number of LED	1
Special Features	Low Profile & Compact Design

Electrical Specifications

Supply Voltage	10VDC to 100VDC
Light Output	High
Current Type	DC
Current Consumption	100 mA, 130 mA, 215 mA, 395 mA, 460 mA

Mechanical Specifications

Dimensions	130mm (h)
Base Diameter	150mm
Mounting Style	Surface Mount

Operation Environment Specifications

Maximum Temperature	-30°C
Minimum Temperature	+50°C

Protection Category

IP Rating	IP 56
