# RS PRO Stainless Steel Hexagon Hexagon Nipple 1- 1/2in R(T) Male x 1-1/2in R(T) Male 2.03in

RS Stock No.: 499-3186

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

## Product Description

Brought to you by RS Pro, a series of stainless steel threaded fittings, suitable for applications requiring a secure and reliable pipe connection. Heavily used within the plumbing industry, water and gas will flow through in a tightly sealed construction. These fittings are made from a durable 316 stainless steel and incorporate a hexagon nipple to ensure a simple and secure connection for pipe and hose work. All models are highly reliable and excellent quality.
