RS PRO Guardian Baffle Filter 20x20x2

RS Stock No.: 2551434

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

Baffle Filters are used in commercial cooking ranges to prevent fire from traveling from a cooking surface to the extraction ductwork. Guardian Baffles have an additional mesh layer which adds an element of grease extraction.
