RS PRO Premium 1.5m x 1m x 22mm Thick Anti-Fatigue Mat

Feature:

Premium, loose lay, anti-fatigue and slip resistant. These mats are made from hardwearing NR/SBR rubber. Benefitting from raised studs on the underside that ensure good drainage. These studs also aid compression making the mat comfortable under foot over long periods of time.

- Open holes design reduces risk of slipping
- Loose lay, no permanent fittings required
- Durable NR/SBR rubber material
- Higher rubber volume per mat than economy version resulting in superior performance
