CAP for RS PRO SP1310 Cable Mount Connectors

Product Details

The RS Pro SP13 series is a range of small but robust waterproof connectors, which are sealed to IP68. Threaded coupling ensures a secure connection, even in extremely harsh environments.

Versions are available for in-line cable to cable and for cable to panel connections. Plugs and receptacles are available with either male pins or female sockets. These products are especially suited for use in indoor or outdoor applications where space is at a premium.

Features and Benefits

- Cap for RS Pro SP1310 range
- Threaded Coupling
- IP68
- 2 Sizes available
