FEATURES

- The lead wire is held by soldering in a large solder bucket,The product is also supplied with a large diameter insulating cover that accepts cables with a maximum outside diameter of 7,1mm.Gold spec - GOLD 0.5 MICRONS Cu/Cu/Au0.5

RS PRO Blue Male Banana Connectors-Green

RS Stock No.: 2121252

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

Looking to make your own test leads, then RS PRO has the perfect addition in the 4 mm banana plug. This silver plated plug is the ideal solution for making test leads to your specification. Upon inspection, the plug connector offers high-grade acetal plastic insulation with a centre contact made from nickel-plated brass and solder termination method. It accepts test lead cables with a 7.1 mm diameter and is suitable for any 4 mm insulated or non-insulated socket.

General Specifications

Type	Banana Plug
Colour	Green
Gender	Male
Contact Material	Brass
Contact Plating	Silver

Electrical Specifications

Voltage Rating	50V
Current Rating	16A
Termination Method	Solder
Insulation Material	Acetal C 27021 R

Mechanical Specifications

Length	48.75mm

Approvals

Declarations	RoHS Certificate of Compliance
