RS PRO Rubber Feet, 16mm x 10mm

RS Stock No.: 136-8970

RS PRO Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

Complete your enclosure projects with the RS PRO Rubber Feet in a high quality. There is a choice in design which includes square, round, and round hemisphere with self-adhesive backing. Installation is quick and easy; a typical install involves placing a rubber foot at each corner to create a protective barrier between the surface and the enclosure.
