# RS PRO Halogen Machine light, 24 V ac/dc, 70 W, Articulated, 830mm Reach, 830mm Arm Length

RS Stock No.: 433-3051

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

## Product Description

From our high quality RS Pro brand, this halogen task light is a perfect addition to your workstation. With an energy efficient halogen bulb, the machine light has a bright output, so you can enjoy shadow-free lighting for clear and comfortable working. The machine light features an adjustable arm, with three points of articulation to ensure you have the light you need where you need it. There is even a built in handle on the light head for further ease of adjustment, with an on/off switch located on the head for extra convenience.
