## RS PRO 10 Piece Socket Set, 1/4 in Square Drive

RS Stock No.: 499-2543

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

## Product Description

Introducing the RS PRO 1/4 inch square drive socket set. This professional and high-quality set is supplied in a convenient storage rail and has 10 x 1/4 inch sockets ranging in sizes from 4 mm to 13 mm, covering the most common metric sizes for the majority of applications. To ensure that the sockets can withstand even the most stubborn fasteners, they are made from Chrome Vanadium Steel which is known for its strength and durability and are able to withstand high amounts of torque when working with difficult fasteners.
