TC-XG 75 Kit

Item No.: 4412559

Ident No.: 11019

Bar Code: 4006825649932

The Einhell TC-XG 75 Kit double wheel grinder is a flexible machine for a wide range of tools. The flexible, ball bearing mounted shaft allows for precision working without motion. In addition, the rotational speed can be adjusted to suit the application. Thanks to the extensive accessories included in the Einhell Kit, the double wheel grinder can also be used for performing cutting work and cleaning, polishing and sanding/grinding work. 4 rubber feet provide reliable, low-vibration stability. The adjustable work supports make the double wheel grinder easy to work with. The adjustable spark guard windows can be adjusted without the need for any tools. Long service life thanks to robust compact metal construction.

Features & Benefits

- The rotational speed can be adjusted to suit the application
- The flexible shaft allows for precision working
- Can also be used for cutting with a wide range of accessories
- Extensive accessory kit for polishing and sanding/grinding work
- Even cleaning and polishing are easily performed
- Small sanding/grinding + polishing jobs handled easily and safely
- 4 rubber feet for standing securely and with low vibrations
- Adjustable work supports for a wide range of applications
- Adjustable spark guard windows without any need for tools
- Robust and compact metal structure for a long service life
- Zero-play ball-bearings for precise operation
- Guard hoods which are closed at the sides for safe operation
