RS Pro ABS Stackable Tool Box, SSC1

RS Stock No: 136-8882

ABS Stackable Case 464mm x 335mm x 142mm

RS Pro ABS Stackable Tool Boxes made from shockproof ABS. In addition with technical and structural features that make these boxes the ideal choice for your application. Suitable for all Tradesman and professionals. These cases offer a side stacking system that allows cases to be locked on one another.

Self-balancing

RS Pro ABS Stackable Tool Boxes come with a new type of handle, sliding on rails, which offers equal weight distribution inside the box.

- Better handling
- Comfort in transport
- 8 joints on the lid

Features and Benefits

- Stackable tool boxes from the SSC series with a new innovative design
- Solid and robust
- Sealed boxes offer total protection against rain and humidity
- Bear weights higher than other cases on the market
- Safe and easy to transport

Stackable

RS Pro ABS stacking system: by placing one case on the other, they lock automatically like a magnet. Comes with 2 spring-loaded snap-locks and feet on the bottom which are designed to guide top-case easily in the right position.
