RS PRO EPDM Rubber Black Lip Gasket

RS Stock No.: 837-2123

RS PRO Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

The RS PRO EPDM Rubber Sealing Strip use this high-quality rubber sealing strip to protect the edges and sealing door panels. EPDM rubber has synthetic properties for flexibility and durability, perfect for eliminating vibration and noise cancellation. Once installed our rubber strips provide great protection from the elements, keeping out bugs and debris plus offers a long service life of up to 10 years.
