RS PRO USB Connectors

RS Stock No.: 143-8926

RS PRO Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

USB Connectors

Product Description

Brought to you by RS Pro, these dual USB 3.0 compliant sockets are mounted in a single space-saving universal XLR receptacle. Chosen to allow industry standard panel cutouts and maximum panel mounting density. Output connection header pins are configured to facilitate either direct soldering to PCBs or connection by header cable. All models are highly reliable and excellent quality.
