## RS PRO 66 Piece Socket Set, 1/2 in, 1/4 in Square Drive

RS Stock No.: 817-9249

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

## Product Description

RS Pro offers this professional comprehensive mixed drive socket and bit set supplied in a sturdy case. This 1/4 inch and 1/2 inch in square drive socket set comes complete with 66 piece sockets and bits including Slotted, Hex, Phillips, Pozi and Torx bits. This set consists of popular sizes of sockets, adaptor, bits, ratchet handles, and some other accessories all with its own easy to transport case. The bit holders and sockets are manufactured from a chrome vanadium steel with a chrome finish. The set can be used for most tasks especially building or repairing various objects including automobile repairs and is a perfect kit for professionals or enthusiasts.
