RS PRO 130mm Carbon Steel Flat Nose Pliers

RS Stock No.: 847-3728

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

From RS PRO, the flat nose pliers are a durable hand tool ideal for gripping, bending and in some cases cutting wires, as well as various other tasks. These pliers feature non-serrated steel tips made from high-quality carbon steel, and ideal for getting into tight spaces and working with small parts.
