RS PRO Bag of 300 White Dry Wipes for Clean Room Use

RS Stock No.: 241-8116

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

These RS PRO wipes are double packed and may be used in up to Class 100 clean rooms. The wipes measure 23cm x 23cm and are ideal for use in a clean room and controlled environment for general wiping and spill control. The non- woven wipes made from 55% cellulose and 45% polyester. They are ideal to wipe up small spills and also to lay product on for inspection.
