

## TECHNICAL DATA

# Fluke TP88 Rigid Back Probe Pins

## Key features

- Slides onto test probes measuring 2 mm (0.08 inches)
- Tested to 60 V DC

## Product overview: Fluke TP88 Rigid Back Probe Pins

Better than a test probe alone – these two inch long rigid back probe pins easily pass between the weather pack seal and wire. A sharp point ensures good contact to the electrical connector, and the pin's insulation protects it from shorting to other wires.
