

CO-WORKER – DAY SERVICE

JOB DESCRIPTION

Introduction

Tiphereth is a small semi-rural Camphill Community based on the outskirts of Edinburgh at the foot of the Pentland Hills. Together we make up a community of about 150 people. The community provides residential care homes, supported living tenancies, a social enterprise and day support services for adults with learning disabilities and autism. For more information visit www.tiphereth.org.uk.

Tiphereth offers adults with learning disabilities and autism the opportunity of living, working and growing together to realise their potential. Our life and work is based on Rudolf Steiner's anthroposophy and the principles of Social Therapy. We are also influenced by Social Pedagogy. Through working with these principles Tiphereth aims to meet the physical, emotional and spiritual needs of the individuals we provide a service to. Tiphereth strives to create settings where each person has the opportunity to participate in meaningful work, believing that work is the primary vehicle for personal growth and development.

Our day service has five work groups. The focus of the groups is to provide meaningful work using creative processes. Our approach is one of learning and working together with people to develop their skills and creative potential.
