

Dear Candidate,

Thank you for your interest in applying for the post of **Community Link Worker** with CVS Inverclyde.

The Community links worker programme is funded by Inverclyde HSCP and delivered in partnership with GP Practices and the 3rd sector to support people to live well through strengthening connections between community resources and primary care.

We are looking to recruit to the post of Community Link Worker who will work in a GP practice as part of the practice team and will provide 1:1 person-centred support to people in contact with a GP practice team. This post will work with individuals to enable them to identify personal outcomes and priorities for their health and well-being and link them to local and national support services and activities. You must have experience of working with people who are experiencing complex social and emotional circumstances, a strong understanding of the challenges faced by people living in areas of deprivation in relation to living well, and extensive effective interpersonal skills in working with people on a 1:1 basis and with organisations

We are recruiting for full or part time Link Workers, the organisation welcomes requests for flexible working.

Applications

Please read the Job Description and Person Specification carefully before applying using the enclosed application form. Please do not send a CV or any other supporting evidence. Please send your completed application using the email or postal address above.

The Person Specification contains three sections:

- Qualifications – please ensure that you demonstrate you meet all of the essential criteria in Question 3. Where you have experience in lieu of a qualification please explain that here.
- Experience and Knowledge – please use Question 5 to give clear examples as evidence of how you meet each of these criteria.
- Competencies – competencies will be assessed at interview. Before applying please read our enclosed competency framework and be confident you can demonstrate the competencies.
