ASSISTANT PROJECT WORKERS
JOB DESCRIPTION

Job Title: Assistant Project Workers
Job Location: The Hub
Reports to: Project Development Worker
Salary: £18,398 - £22,727 pro rata
Hours: 22.5 hours

Purpose:

Enable the organisation to transform the experiences of children and young people; by supporting the delivery of the organisation's Hub service.

Areas of Responsibility:

- To assist in supporting the Project Worker in developing and delivering the organisational strategy, specifically those aspects relating to children, young people and their families.
- To support the non-clinical needs of a wide range of children and young people in the hospital, by supporting the Project Worker in providing a range of focussed activities and support services, in an age appropriate, engaging facility.
- In recognition of the increasing number of teenage young people, including those receiving CAMHS support, work with them to develop a programme of engaging activities and support; delivered in both 'The Hub', bed spaces and the adolescent spaces
- Support young people to feel empowered and build confidence through creating social opportunities.
- Assist in supporting families and carers of children and young people in the hospital through a meaningful programme of engagement and activities, including peer support programmes for parents
- Link with other agencies and organisations to signpost children, young people and their families to places of support and advice.
- Link with the ECHC Arts Programme and hospital play service to provide meaningful engagements for children and young people.
- Ensure compliance with appropriate policies and procedures in line with legislative and regulatory requirements; and deliver agreed best practice in all activities.
- Assist in the evaluation of all projects with patients, families, staff and volunteers.
- Assist ECHC colleagues in any activities which will help to financially sustain the charity. This will include providing information for informing funding applications and providing support for funder visits to the service.
- Engage with the NHS and maintain a strong relationship with the hospital and its staff
- Any other duties appropriate to the role and in line with the needs of ECHC.
