

POST: Project Worker

PURPOSE OF POST: To work as part of a team providing high quality support and education to individuals with learning disabilities within Upward Mobility workshops and activities, as well as out in the community and at home as required. Support may include assisting the students to learn and engage in workshops, socialise at breaks and events, support with tasks and personal care, as well as the facilitation and teaching of workshops.

RESPONSIBLE TO: Line Manager / Team Manager

MAIN RESPONSIBILITIES: To assist and support, to provide guidance and instruction to students during activities, specific to each individual student as indicated in support plans.

SALARY: Upward Mobility are a Living Wage Employer – the hourly rate for this role starts at £9.30hr.

Duties of the worker are to:

- Provide help and support with all aspects of personal care as required.
- Empathise and actively listen in a sensitive manner, accessing appropriate additional support (emotional/guidance) where necessary.
- Create opportunities for students to develop, establish and maintain personal relationships and networks which encourage greater participation and integration in their community.
- Liaise with line management and staff team members to provide a consistent approach that meets the individual needs of each student.
- Facilitate socialisation and social activities e.g. workshops, misc. activities and managing group dynamics (where required).
- Design, plan and facilitate workshop sessions within a subject area and according to a prescribed curriculum with clear aims, experiences and outcomes.
- Undertake, where necessary, the upkeep and organization of classroom spaces and workshop resources.
- Assist in the running of extra-curricular social events for students.
- Monitor student progress and complete progress reports as required.

Responsibilities of the worker are to:

- Promote and preserve the independence & dignity of students as much as possible.
- Manage personal care issues with dignity and respect.
- Report any changes/issues concerning the student or the support by contacting line management, and report any areas of risk to management.
- Monitor the level of engagement and the general physical welfare of students.
- Support and understand each individual student's needs by reading and abiding by the guidance provided by support plans and reviews.
- Identify situations, which could potentially escalate, resulting in an incident, and intervene to ensure incident prevention.
- Maintain confidentiality and not divulge information to third parties unless agreement to

share information has been given and agreed by the Senior Management team.

- Work in accordance with job description and contract of employment, and in line with policies and procedures noted in the Employee Handbook.
- Promote equal opportunities and respect diversity, different cultures, values and beliefs.
- Work in accordance with the Health & Safety Act 1974, the Data Protection Act 1998 and National Care Standards.
- Contribute to the overall development of the service and promote a positive image of the students, staff members, trustees and Upward Mobility as a charitable organisation.
- Be responsible for their own learning and development and participate in training courses as required.
- Prepare for and attend in regular supervision and Upmo's appraisal process.
- To enjoy work and have as much fun as possible whilst at the same time always maintaining professional conduct.

PERSON SPECIFICATION

Essential Skills:

- An understanding of the needs of adults with learning disabilities who are vulnerable within society.
- A demonstrable ability to relate professionally and respectfully to people with learning disabilities, their families and their carers.
- Physically fit and able to undertake safe moving and handling practices.
- Have effective verbal and written communication skills, including a confident telephone manner and good level of spoken English.
- Ability to liaise with external agencies and other professionals when required.
- Ability to work autonomously as well as in a larger team.
- Basic knowledge of moving and handling, health & safety standards and practices, and food hygiene.
