Bike for Good is seeking an experienced community engagement professional to join our award-winning team and help us change lives through cycling!

The post holder will lead a new and exciting pilot project based at Civic Street; a strategic active travel intersection that links the city center and north Glasgow and connects residential communities in Woodside and Cowcaddens. Working in partnership with [Agile City](#), the post holder will establish a community based cycling hub which will help us achieve our [vision, mission and values](#). Working closely with surrounding communities, the Civic Street Cycling Hub will offer a programme of regular activities, services and events to encourage more people in the area to cycle as a mode of transport.

We need someone with a creative and community focused approach and who can evidence excellent people skills. Candidates should be passionate about increasing the number of people who choose to cycle as their main mode of travel.

Initially this is a one year contract thanks to funding from Paths for All's Open Fund. However, we are looking for someone who is ambitious and has the drive to develop the Civic Street Cycling hub into a long-term facility for the community.

To apply please complete the application form on our [website](#). The closing date is Monday 14th June @ 12 noon.

Interviews will take place the week beginning 21st June 2021
