Dear Applicant,

Thank you for your interest in working for LGBT Youth Scotland.

Who we are:

We are Scotland's national charity for LGBTI young people providing spaces for lesbian, gay, bisexual, transgender and intersex young people aged 13 to 25 to explore who they are in a safe and affirming way; to unlock their potential helping them feel confident, resilient, and optimistic for the future.

Our vision is to make Scotland the best place to grow up for LGBTI young people. For the last 30 years we have played a leading role in the provision of quality youth work to LGBTI young people that promotes their health and wellbeing and are a valued and influential partner in LGBTI equality and human rights.

Every year we deliver over 800 youth group sessions and 1500 one-to-one support sessions, including digital to more than 1000 young people. To enable us to deliver our work for young people we have a team of around 45 supported by over 100 volunteers based across the country.

To find out more, please visit our website at www.lgbtyouth.org.uk where you can view the many aspects of our work.

How we work:

LGBT Youth Scotland is focused on being led by young people while supporting them to develop in a safe and supported environment. We achieve this through our excellent team of staff and volunteers who all make a significant difference in young people's lives. It is our passion and drive to support young LGBTI people across Scotland that defines us as a team and underpins all we do.

With need for our services increasing, we are responding by focusing our activities on where we can have greater impact, driven by evidence. Supporting our staff and volunteers to be healthy, safe and happy in their roles is central to this. We invest in our team so we can be the best we can be and to better support the young people we engage with across Scotland.

Our values are also important to us. We are committed to:

- ➡ To promote equality and human rights
- ➡ To take a community learning and development (CLD) approach

- ➔ To be reflective, accountable and ensure quality in what we do
- ➔ To be innovative and fun

We work to ensure that our services are accessible and young people's experience and outcomes are positive and that there is an inclusive working environment for all staff and volunteers.

Your New Role:

As the Part time Youth Worker based in East Dunbartonshire, your role will play an important part in helping us deliver our youth work provision in this area.

This is an exciting opportunity to provide high quality youth work, through youth groups and one to one support to LGBTI young people, empowering them to achieve their potential. We are looking for a skilled individual who can help us deliver our service provision, ensuring that we are sustaining a safe space for young people.

As this post involves direct work with young people, you will be required to obtain PVG scheme membership through Disclosure Scotland if successful at interview. The Charity will complete these checks with you. Your employment will be confirmed after successful completion of this and any other necessary checks including references and your right to work in the UK.

If you feel you have the relevant experience and can meet the essential criteria in the job role, we would love to hear from you. We always welcome applications that demonstrate the skills and criteria we need, whether that be in a professional or volunteer capacity.

We also appreciate that the best person for the job might not have all the essential and desirable criteria, so if you are unsure whether your skills and experience fit the specification, please contact Nicola.booth@lgbtyouth.org.uk for an informal conversation prior to applying.
