ORGANISATION OVERVIEW

Transform Forth Valley is a charity providing a wide range of services to support individuals and families who are impacted by societal, financial or health inequalities. Transform Forth Valley responds to identified need in the Forth Valley, and in partnership, supports individuals and families to tackle inequalities that diminish life chances. Transform Forth Valley considers the whole person, building a firm foundation from which an individual or family can achieve positive and lasting change. Transform Forth Valley's mission statement is: 'Transform Forth Valley' is dedicated to empowering individuals and families to live a more fulfilled life. We work with partners to actively challenge inequalities and to achieve sustainable change.

ROLE PROFILE

The Time 4 Us Children and Families service has worked across Forth Valley for over 14 years delivering successful outcomes for children, young people, and families, who have been negatively impacted by adversity, causing emotional dysregulation, developmental trauma, and difficulties with relationships, etc all due to parental substance use.

The Time 4 Us service has developed multiple positive partnerships across professional boundaries, which has been essential in achieving the best outcomes for all involved. The success of the Time 4 Us service in delivering therapeutic interventions has resulted in ongoing funding from the three local authority councils and the National Lottery.

The Time 4 Us service receives referrals from social services, education, addiction services, health, and self-referrals, and has a proven track record of enhancing children and young people's emotional wellbeing, mental health, school attendance, attainment levels and ability to develop positive relationships.

The post holder will work as part of a team carrying out all interactions under the Getting it Right for Every Child framework and in adherence to the United Nations Convention on the Rights of the Child, taking a Child's Rights Based approach, ensuring that children and families get the appropriate co-ordinated supports needed to promote their well-being, health and development, whilst
