FRASAC Background Information

FRASAC is a Fife Wide independent charitable organisation providing free confidential, counselling, support and advocacy to anyone affected by rape and sexual assault at some time in their lives. FRASAC also provides Prevention work within schools and other community groups that work with young people under the age of 25 years.

Fife Rape and Sexual Assault Centre were established in 2000 providing telephone support. In 2003 we developed further and were in a position to start providing face to face support services.

The project was created through a service gap being identified and in 2003 and funding was secured through Fife Council to employ a development worker. In 2004 we were awarded further funding from Scottish Executive (Rape Crisis Specific Funds) which allowed us to employ a full time support worker. This led to the expansion of one to one services.

With the continued funding from Scottish Executive and Fife Council FRASAC staff structure developed and by the end of 2005 we had a full time Centre Manager- with responsibility for the development and monitoring of services, training, campaigning, networking and direct service delivery. We also had a full time dedicated support worker, providing a variety of direct support to service users.

Violence against Women's funding in 2006 allowed us to expand further with the introduction of a Young Person's Project for people aged between 12 and 25 years of age. Due to increased funding in 2008 we were in a position to further expand the young person's project.

Continued support from Scottish Government and Fife Council has allowed FRASAC to continue delivering quality support services to survivors of Rape and Sexual Assault in Fife and in 2012 FRASAC were in a position to start offering service users counselling by qualified staff and counselling trainees.

In 2013 Rape Crisis Scotland applied for funding through Third Sector Early Intervention Fund to provide Prevention Worker posts throughout Scotland. This has allowed us to deliver prevention work to young people within Fife.

Rape Crisis also secured funding from the Justice Fund in 2015 which allowed us to employ a full time support and advocacy worker.

FRASAC are regularly involved in the delivery of training to other agencies and also raise awareness within the community on the issues and impact of sexual violence. FRASAC are currently a member of Rape Crisis Scotland and have achieved the Rape Crisis Scotland National Service Standards.

Section 8: Policy on the Recruitment of Ex-Offenders

Fife Rape and Sexual Assault Centre (FRASAC)

Policy on the Recruitment of Ex-offenders and secure handling etc. of Disclosures

This document does not form part of your contract of employment and may be changed from time to time in line with current best practice and statutory requirements, and to ensure that organisational needs are met. You will be consulted and advised of any changes as far in advance as possible of the change being made, unless the change is required by statute.

Aim of Policy

The aim of this policy is to state FRASAC's approach towards employing people who have criminal convictions and to ensure consistent and fair practices are implemented in the recruitment of staff and volunteers who have a criminal record to paid/unpaid posts within FRASAC. The policy also sets out our approach to dealing with confidential disclosure information.

FRASAC is committed to equality of opportunity for all job applicants and aims to select people for employment on their individual skills, abilities, experience, knowledge and, where appropriate, qualifications and training. FRASAC will therefore consider ex-offenders for employment on their individual merits. Our approach towards employing ex-offenders differs; however, depending on whether or not the job is exempt from the provisions of the Rehabilitation of Offenders Act 1974 (Please also refer to page 2 for further information).

Having a criminal record will not necessarily debar an individual from working with FRASAC. This will depend on the nature of the position, together with the circumstances and background of the offence(s).

FRASAC will ensure that all of our staff involved in the recruitment process are aware of this policy.

Advertising, Application pack & Interview procedures:

All applications forms, job adverts, careers literature, web-site and any other appropriate literature will contain a statement that a Disclosure will be requested in the event of the individual being offered the position at FRASAC. Please refer to the Disclosure Scotland section within the policy for further information.

At interview or in a later separate discussion, FRASAC will ensure that an open and measured discussion takes place on the subject of any offences or other matter that might be relevant to the position. Failure to reveal information that is directly relevant to the position applied for could lead to withdrawal of an offer of employment.

When receiving a Disclosure which shows a conviction, FRASAC will take into consideration:

- Whether the conviction is relevant to the position being offered.
- The seriousness of the offence revealed.
- The nature of the offence revealed. Specifically, if a sexual offence is revealed.

FRASAC will contact Disclosure Scotland for further information on the Act under which the offence has been committed. If the offence falls under the Civic Government (Scotland) Act (Section 46) and therefore relates to soliciting, FRASAC will not discriminate against an applicant on these grounds.

- The length of time since the offence took place
- Whether the applicant has a pattern of offending behaviour
- Whether the applicant's circumstances have changes since offending took place

Jobs covered by the Rehabilitation of Offenders Act 1974

FRASAC will not automatically refuse an individual employment because they have a previous criminal conviction.

During job interviews, FRASAC will ask job applicants to disclose any unspent convictions, but will not ask job applicants questions about spent convictions, nor expect them to disclose any spent convictions.

If an applicant has a conviction that is not spent and if the nature of the offence is relevant to the job for which they have applied the selection panel will review the individual circumstances of the case. Depending on the circumstances of the convictions, the interview panel may, at its discretion, decline to select the individual for employment.

If an employee is charged with, or found guilty of a criminal offence during the course of their employment with FRASAC, they will be required to immediately inform their Line Manager. FRASAC will review the circumstances of the case the employee's contract of employment with FRASAC may be terminated in line with the appropriate procedures. (Please refer to the Disciplinary Policy).

In addition, if FRASAC have investigated and concluded that an employee may have behaved in a harmful way towards a person or persons in a vulnerable group, FRASAC will be obliged to report this to Disclosure Scotland.

Jobs that are exempt from the Rehabilitation of Offenders Act 1974

If the vacancy is one of the excluded jobs listed in the Rehabilitation of Offenders Act 1974 (Exclusions and Exceptions) (Scotland) Amendment Order 2015, FRASAC will require the applicant to disclose all convictions, whether spent or unspent unless the conviction is classed as 'Protected' (i.e. minor historical convictions). Even in these circumstances, however, FRASAC will not refuse to employ a particular individual unless the nature of the conviction has some relevance to the job for which the individual has applied.

A full list of convictions that must be disclosed and convictions that should be disclosed subject to rules is available on the Disclosure Scotland website: www.disclosurescotland.co.uk.

Furthermore, if the job is exempt, FRASAC will, once it has selected the person to whom it wishes to offer employment, seek documentary evidence about that person's criminal convictions. The preferred applicant will be required to be a member of the Protecting Vulnerable Groups (PVG) Scheme.

If the successful candidate is already a member of the PVG Scheme, FRASAC will request a 'Scheme Record update' to check their membership and vetting issues after a conditional offer of employment has been made. If the successful candidate is not a member of the PVG Scheme, a conditional offer of employment will be made dependent on them becoming a member of the scheme and having a satisfactory scheme record.

Disclosure Scotland Check (PVG Scheme):

FRASAC complies fully with the Code of Practice, issued by Scottish Ministers, regarding the correct handling, holding and destroying of Disclosure information provided by Disclosure Scotland under Part V of the Police Act 1997 ("the 1997 Act"), for the purposes of assessing applicants' suitability for employment purposes & voluntary positions.

FRASAC also complies fully with the Data Protection Act 1998 and other relevant legislation pertaining to the secure handling, use, storage, retention and disposal of Disclosure information. This policy is available to anyone who wishes to see it on request.

FRASAC will undertake to discuss any matter revealed in a Disclosure with the candidate of that Disclosure before considering withdrawing a conditional offer of employment. Note that FRASAC is only able to discuss what is contained on a Disclosure Certificate and not what may have been sent under separate cover by a police force. FRASAC will use Disclosure information only for the purpose for which it has been provided, and we will ensure that it is not used or disclosed in a manner or for a purpose incompatible with that purpose.

FRASAC will hold and process personal data only with the express consent of the individual.

FRASAC will notify the individual of any non-obvious use of the data, including further disclosure to a third party, identifying the data controller, the purpose for the processing, and any further relevant information.

We maintain a record of all those to whom Disclosures or Disclosure information has been revealed and we recognise that it is a criminal offence to pass this information to anyone who is not entitled to receive it.

Usage

Disclosure information is only used for the specific purpose for which it was requested and for which the applicant's full consent has been given. We will not share disclosure information with a third party unless the subject has given their written consent and has been made aware of the purpose of the sharing.

FRASAC do not keep Disclosures or Disclosure information for any longer than is required after the recruitment (or any other relevant) decision has been taken. In general, this is no longer than 90 days. This is to allow the resolution of any disputes or complaints. The same conditions relating to secure storage and access will apply during any such period.
