

### **Role description**

# Casual Worker - Groups Support Assistant OPAL (Older People, Active Lives) - West Lothian

For over 50 years, Cyrenians has tackled the causes and consequences of homelessness.

We understand that there are many routes into homelessness, and that there is no 'one size fits all' approach to supporting people towards more positive and stable futures. That's why all our work is values-led and relationships-based. We meet people where they are, and support them towards where they want to be.

Our Vision is an inclusive society in which we all have the opportunities to live valued and fulfilled lives.

Our way of working is built on our four core values, which are at the heart of all our work and decisions:

#### Compassion | Respect | Integrity | Innovation

#### About the service

The OPAL service works with people of age 60+ across communities in West Lothian. The service aims to optimise older people's independence and well-being, while at the same time reducing isolation and ensuring they're connected to their community.

The service is delivered by a team of dedicated, trained volunteers who offer encouragement, companionship and support to help people engage in social, leisure and community activities.

We are funded through a collaboration with West Lothian Council, West Lothian Health and Social Care Partnership, and NHS Lothian.

#### About the role

The Groups Support Assistant supports the Senior Service Coordinator with the facilitation, management and delivery of OPAL community groups.

The postholder will be a confident group worker with strong interpersonal skills and experience of supporting others to achieve a goal. A flexible, values-led approach is vital.
