TRUSTEE RECRUITMENT

Are you passionate about supporting the visual arts in Scotland?

Edinburgh Art Festival (EAF) is the UK's largest annual festival of visual art, taking place in August. Founded in 2004, we work with local and international partners to present an ambitious and meaningful programme of exhibitions, events and projects across the city. We recognise EAF's unique position as being a network of many constituent parts and partners, as well as being dynamic and responsive to political change. We recognise that we have power as an organisation to collectively position work, support artists, influence policy and lobby for change.
