Overview of the Organisation:

Camas is the Iona Community's outdoor activity centre on Mull. We have a strong focus on building community and connection; with each other and with our surroundings. Camas is home to a team of staff and volunteers who live down a 2km track welcoming guests to share a simple way of life. The centre is housed in 200-year-old cottages which nestle in a beautiful bay on the Ross of Mull. The shore, garden and woodland provide an incredible setting for personal challenge and community growth.

Our mission statement - *"together we seek to enable growth in love, respect and awareness of ourselves, each other, God and the environment"*.

The Iona Community is an international, ecumenical Christian movement working for justice and peace, the rebuilding of community and the renewal of worship.

Our Community was founded in Glasgow, Scotland in 1938 by Rev George MacLeod, a visionary and social reformer.

Job description:

Under the guidance of the Camas Co-ordinator, the Camas Resident Staff Team is responsible for the leadership and support of volunteer staff and guests in the "common life" at Camas, as well as the planning, co-ordination and running of the weekly programme for Camas Centre guests.

Camas has a core Resident Staff Team of up to 10 (Co-ordinator and 9 Resident Staff Team Members) and up to 5 volunteer staff at a time during the guest season (one may be a Member in Residence). Additional support is provided by staff based on Iona or in the Community's mainland office as needed.

All members of staff at Camas are required to participate fully in the common life, shared by both staff and guests, which includes attending shared meals and taking part in daily chores, as well as attending and leading morning and evening Reflections.
