Cosgrove Care Board Member Application

Dear potential Board member

Thank you for your interest in becoming a member of the Board of Cosgrove Care. We are a forward-thinking organisation, committed to helping children and adults with learning disability, autism, mental illness and related conditions achieve the best possible quality of life. We strongly believe in the principle that everything we do is based on the wishes and preferences of the people we support. "Supporting you to be you" is our mission statement. That is what Cosgrove Care is all about.

The enclosed information pack will tell you more about the organisation, and outlines the skills, knowledge and experience we are looking for in Board members. Cosgrove Care has its roots in the Jewish community, however, as you will see, it now provides culturally sensitive services to everybody who may benefit across the wider community. Our most recent impact report will give you a sense of our day to day work and you can find out more about Cosgrove Care by visiting our website or following us on social media.

We are a diverse organisation, committed to inclusion in all our work and will continue to develop a diverse board in terms skills, experience, background and identity and ask you to demonstrate these in the knowledge, skills and experience section of the enclosed application form.

We would be particularly pleased to hear from people who have skills in the areas of disability rights, senior leadership in the third or public sector, finance and/or fundraising/income generation.

As a Board member, you will contribute to the strategic direction of the organisation, as well as scrutinise performance, support the management team, and hold them to account. You will also be asked to participate in one of two subcommittees (Care and Governance or Finance and Investments) depending on your relevant skills and experience.

Please complete the short application form, outlining why you believe you meet the essential and, if relevant, desirable criteria for Board membership. After you have applied, you may be invited to an informal meeting with representatives of the Board and the Chief Executive, following this any final recommendation would be made to the full Board for confirmation.

Thank you again for your interest. I look forward to your application. Should you wish an informal discussion, please contact either; Heather Gray, CEO - hgray@cosgrovecare.org.uk, 07712 867 295 or myself -dlyons4758@hotmail.co.uk, 07837 305054.

About Cosgrove Care

At Cosgrove Care we believe that vulnerable people deserve the best opportunity to live the life they choose, and to thrive as equal citizens. This includes intensive housing support, supported employment, respite and short breaks as well as flexible outreach support, clubs and groups designed to build skills, confidence and help people with additional needs take up their place in society.

Our values are core to everything that we do, through recruitment and induction to the support and development of our team. Our values, derived from Jewish family values, reflect how we work with the people we support and are embodied in everything that we do.

RESPECT

We are respectful of the people we support and each other. We put people first, we look after the people we support and our staff.
