1 What it is like to work for Cyrenians

"Cyrenians has a positive culture, which shines through in recruitment and is strongly reinforced during induction."

Cyrenians is committed to finding the best people to join our staff team. We hope that during the recruitment process experience, you will agree with the comment above which, like the rest of the quotes in this document, was made by a staff member during our annual staff survey.

Onboarding:

Your first few weeks will include orientation into the organisation. You will be shown the health and safety procedures for your office; meet your colleagues; get to know more about all the different services we provide; have time to make yourself familiar with our systems; and so on.

Visits to the various Cyrenians offices and sites are encouraged during this period.

Support:

Every staff member will regularly meet with their line manager to review workload, tasks and progress, ask any questions, and discuss any issues that arise. This is to ensure that you know what your role is, know what is expected of you, and that you get any support that you need.

A formal performance review will take place at the end of your 6-month probationary period.

"Cyrenians is a super place to work. You have support, job satisfaction and similarly-minded colleagues"

"I love working with my client group and feel that they are the reason I come to work every day."

Learning and Development:

Cyrenians is a learning organisation and are committed to developing staff in their roles; ensuring that we provide the best quality services to our customers, and make our staff feel valued.

We deliver tailored In-House training where possible

"Cyrenians is much more than just a job to me. I am proud to be part of such a great organisation and look forward to 'growing' with the organisation."

Communication:

With several sites across Edinburgh, East and West Lothian, Falkirk and beyond, communication within the organisation is an important part of bringing us together. We do this in several ways, including:

- Annual Staff conference. Where all staff have the opportunity to get together for a day to network, participate in activities, attend presentations from guest speakers and workshops on various topics relevant to our work; as well as enjoy lunch together.
- Weekly Updates: An email bulletin that all staff are encouraged to contribute to. The aim is to share information about services, events and other activities.
- Staff Survey: An annual opportunity for staff to tell us how well we are doing and where we might need to improve.

"I like the way the management engage with staff to get their opinions."

"Cyrenians has given me the opportunity to develop as a person and increase my skill set."

2 General information about conditions of employment with us

Hours and leave:

For full time posts the normal hours of work will total **37 hours per week**.

The annual leave entitlement for full time staff is **25 days plus 10 public holidays**. Annual leave for part time staff is based on the full-time entitlement, calculated on a pro-rata basis according to the number of hours worked and is expressed in hours rather than days. The holiday entitlement will include an allowance for Public Holidays. This ensures that all holiday entitlement is apportioned to the number of hours you work per week and not according to the days of the week you work. Full details of the working of this scheme will be explained on appointment.

Cyrenians operates a blended working policy allowing for flexible working (including some working from home) where service needs allow.

Salaries and Pensions:

Posts are generally offered with a starting salary at the lower end of the advertised salary scale. Salaries are usually paid by bank credit transfer on the last working day of each month.

We have a **Group Stakeholders Pension scheme**. Details are included in the Job Description.
