About the Community Fridge

The Community Fridge project was established in early 2020 to help to address food insecurity whilst addressing the issue of food waste through businesses donating food destined for landfill on a relatively small-scale basis, We then secured a new dedicated facility which has more than tripled our initial fridge & freezer equipment and shelving. Our fridge and larder continues to be a lifeline to so many as evidenced by the continuing increase in registrations and footfall. We currently have 990 members of our community fridge with on average 150 – 200 visits per week.

Brunch Club - delivered from our Community Fridge/Larder we offer a meal delivery service to those who may have limited capability to cook healthy nutritious meals for themselves.

The Community Fridge Food waste is a big issue. The average household throws away £470 worth of food every year while others live in food poverty. Most food waste is avoidable and could have been eaten had it been better managed.

The Community Fridge provides access for everyone to nutritious, surplus food at low costs. It helps people save money and reduce waste.

Job Role

This role will co-ordinate the operation of the Community Fridge to successfully cut food waste, build stronger bonds within the community and provide people with access to nutritious food.

Key Duties

- Be responsible for the ordering and rotation of stock, recording all food that passes through the Community Fridge.
- Be responsible for cash handling including reconciliation and banking
- Ensure all aspects of Health and Safety for the Community Fridge, its staff, volunteers and service users, including cleaning and waste disposal.
- Ensure all required policies, licences and training are up to date for the Community Fridge, its staff and volunteers.
- Liaise with local business and small food providers to secure and collect surplus food.
- Measure and evaluate the impact of the Community Fridge.
- Develop advertising to recruit brunch club and service users, ensuring brand guidelines are met.
- Proactively recruit and manage volunteers to support the Community Fridge and associated services.
- Represent CDT and engage community at local events.

- Laise with Community Garden Co-ordinator to promote environmental and sustainability impact of projects
- Develop innovative ways to provide the community healthy and varied food options through community food activities
- Any other duties that may reasonably be required in line with your main duties.
