Job Title	Outreach and Support Worker	Line Manager	Operations Manager
Directorate	Operations	Salary	£26,471

ORGANISATION OVERVIEW

Venture Trust supports people facing challenging life circumstances to overcome barriers and realise their potential. We work alongside people who have been impacted by trauma, and together we build the programme they need to move forwards in their journey.

Our strengths lie in the trust and relationships we forge, our therapeutic approach and in harnessing the transformational benefit of being outdoors and amongst nature. Working in communities, in greenspaces and journeying through some of Scotland's most wild places, we meet people where they are. By taking time to create safe relationships, we can support people to grow. We work to create community, to strengthen support systems and accompany people as they reach new places. This relational approach allows people to develop in sustainable and meaningful ways.

Our values underpin everything we do:

- **Courage** - we remain brave when things are tough
- **Care** - we will attend to people and place
- **Curiosity** - we are thoughtful
- **Collaboration** - we work together for greater impact
- **Connection** - to the people we work with, our colleagues, our communities, and to nature.
