If you have a passion for supporting and nurturing potential, so do we.

Our vision is that children and young people experience “life to the full” – John 10:10

For over 140 years, The Boys’ Brigade (BB), an international Christian youth organisation, has provided opportunities for children and young people (4 - 18 years old) to learn, grow and discover in a safe, fun, and caring environment. That work is as vital and meaningful today as ever.

BB Companies (groups) meet in communities across the country, supported by dedicated volunteer leaders giving their time and skills every week.

Our groups are at the heart of the outreach work taking place in churches to empower, engage, and transform lives in local communities.

This is an exciting time to join our small dedicated staff team. We are looking to recruit an experienced Finance Manager, with the skills and experience to assist the Trustees and Chief Executive in shaping and implementing our Financial Strategy.

The role will involve reviewing the operation of the finance function and the opportunity to recommend and implement change to systems and processes where required.

We look forward to receiving your application.

Jonathan Eales
Chief Executive
