

As Hibernian FC's official charity, we uphold the club's charitable origins to inspire and enact positive change in our community. The Hibernian Community Foundation delivers a range of community focused initiatives via our Community Hub and beyond, fostering inclusion, wellbeing and connection across communities.

Our services are designed to support diverse needs, promote social engagement, strengthen community resilience and respond to poverty, loneliness and isolation. This extends to our football, which we organise for hundreds of people of all ages and abilities every week.
