

# Building a Campfire Design Document

<i>Business Purpose</i>	<p>ABC Campground needs to educate customers in building campfires and campfire safety.</p> <p>ABC Campground has had an increase of campers not following campfire safety protocol resulting in 2 situations that required the local fire department to be called to extinguish out of control fires. Since COVID, there has been an influx of inexperienced campers and the campground would also like customers to have a pleasant campfire experience. ABC Campground will offer a 10% discount to campers who participate in the Building a Campfire rise course when they check in.</p> <p>The goal of this training is to:</p> <ul style="list-style-type: none"><li>• Train and inform customers how to safely build, maintain, and extinguish a campfire to decrease uncontrolled fires.</li></ul>
<i>Target Audience</i>	Campers at ABC Campground
<i>Training Time</i>	Up to 15 minutes of eLearning
<i>Training Recommendation</i>	<p>Micro eLearning course that includes campfire safety protocols before, during, and after building a campfire. Campers can participate in the training during check in.</p> <p>A job aid can be developed as a handout or to post in public places such as bath houses.</p>
