

NEW!

Announcement: School Year 2023-2024

A message from our Academic Director:

Aggeliki Mastromichalaki, Ph.D
Academic Director, Ellinopoula

Dear Parents,
I am very happy to announce something special we've been working on in the last few months! Our detailed school program for the new school year is out and I am very proud to share it with you! We've added a lot of exciting new content and surprises coming in September and the semesters to follow, including captivating virtual field-trips, fun stories, games, and much more!

Get ready for our best school year, ever!

3 NEW Unique Virtual Field-Trips to Greece!

Kids love our immersive adventures! We're proud to create such memorable journeys for kids to connect with Greece in fun ways they never imagined!

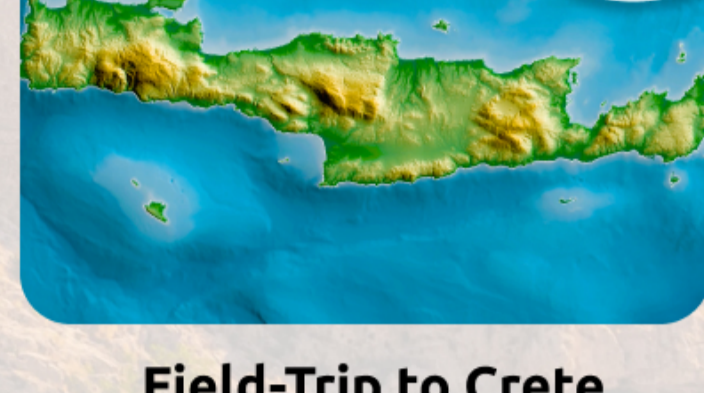

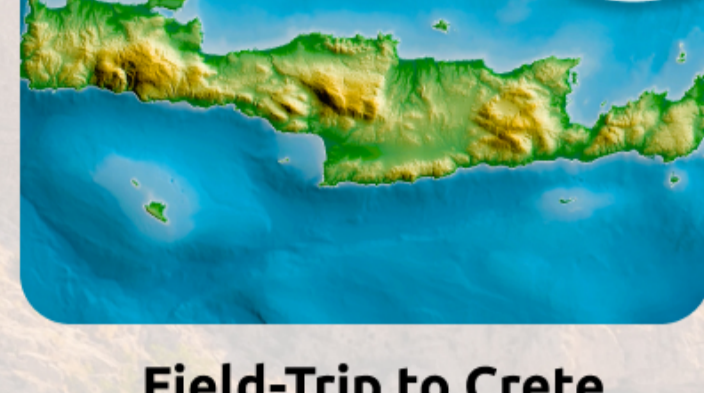

Field-Trip to Plaka

In this incredible new story combining time travel, Greek mythology, and history, kids will learn about Plaka - one of Athens' most renowned neighborhoods.

Field-Trip to Delphi

In this humorous story, kids are transported to the most significant spot to the Oracle of Delphi, to witness a famous story from Greek Mythology and learn about Delphi.

Field-Trip to Crete

Kids will explore the famous palace of Knossos, wander in the Labyrinth, and explore the beautiful countryside and villages of modern-day Crete.

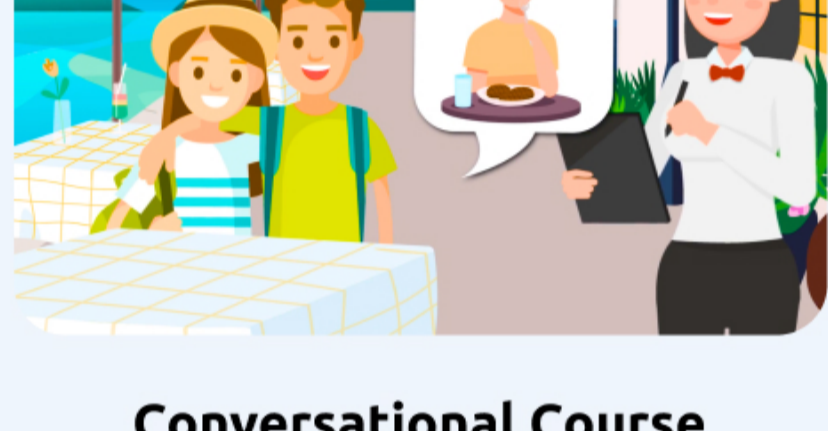

New Animated Series for Beginners!

We've created the new animated series Learn to Read to make learning to read Greek even easier for beginners! The series teaches them how to read letter by letter, syllable by syllable and word by word in a fun and visually stimulating way. Learn to Read is compatible with popular books for learning Greek.

New Courses

We've created 2 new **Conversational Courses** to make speaking Greek even easier! Also, due to popular demand, we've added a new **Mythology Course** that kids are going to love!

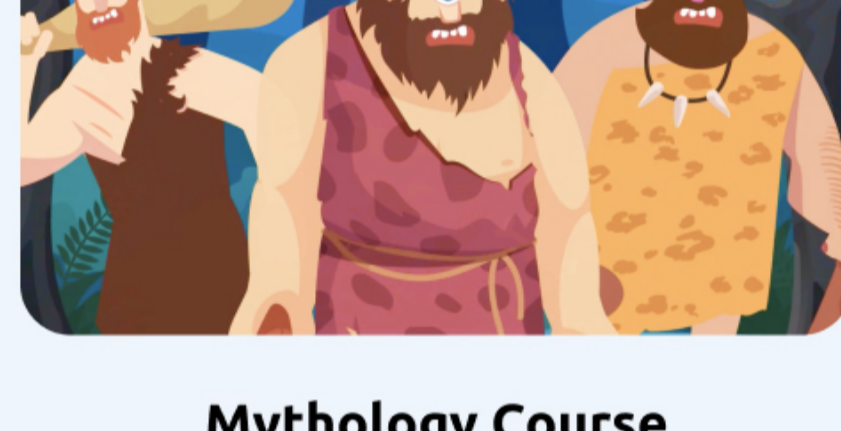

Conversational Course

A new conversational course to help kids speak Greek with ease!

Eating Healthy

A nutrition-themed course for older kids with lots of quizzes and activities

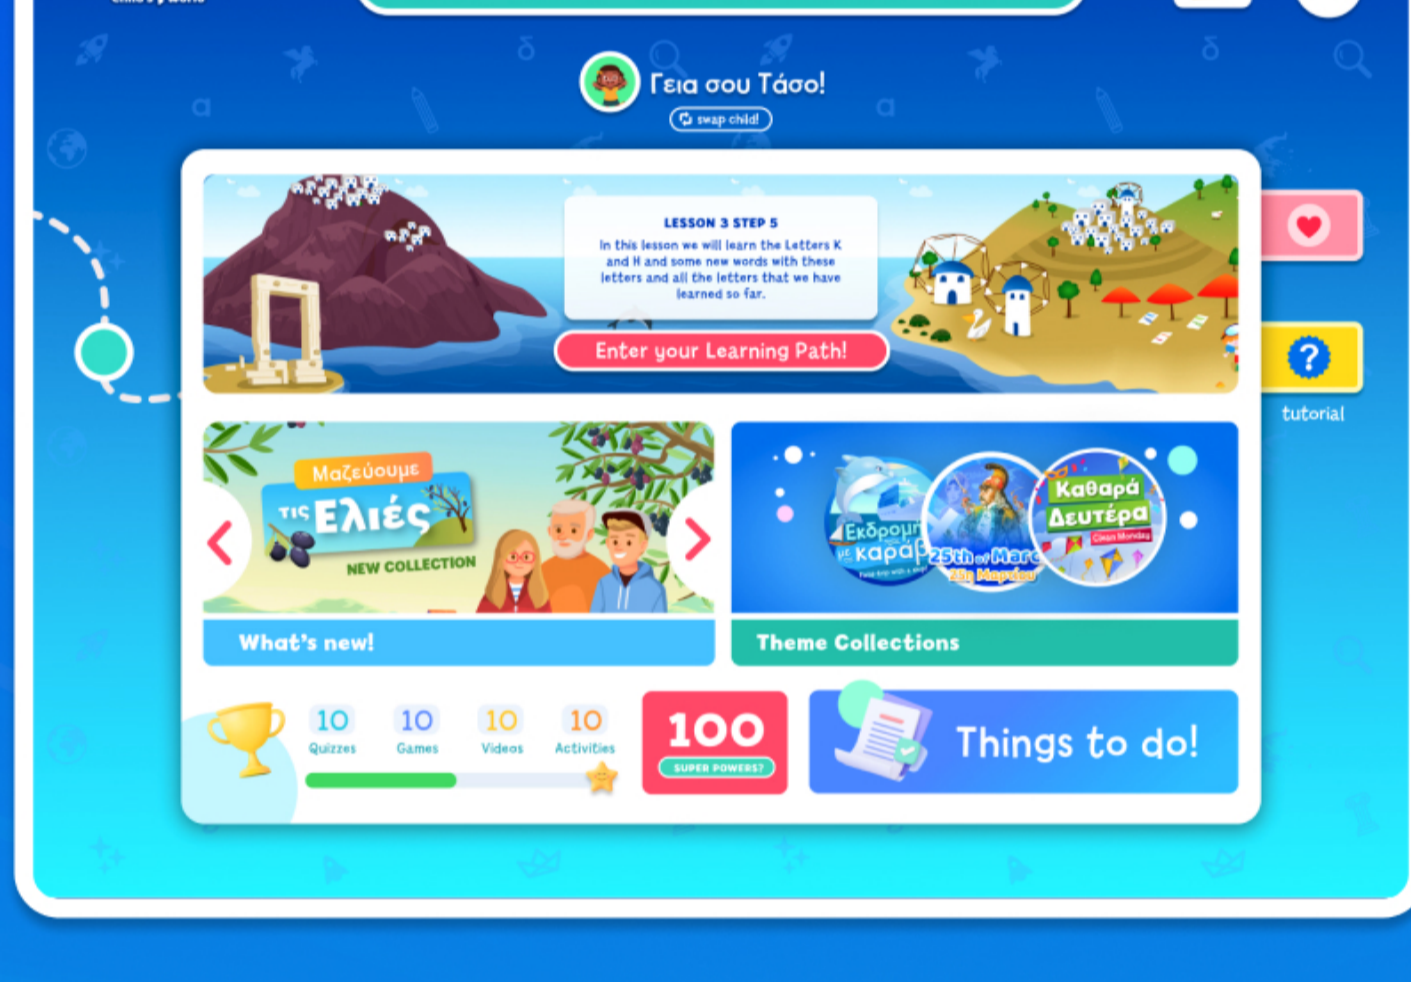

Mythology Course

The kids asked for this! So we're busy creating exciting mythology courses!

New Features

We constantly keep updating the platform experience through optimizing the interface for kids, parents, and teachers, and by adding new, fun content to make learning Greek with Ellinopoula, a fun and effective experience.

We're updating the **Child's World** to include exciting new features like animated backgrounds matching each season, a new points system to make learning more exciting, and lots of new visual elements to surprise and engage our young learners!

Surprise of the Week!

We're introducing an exciting new concept exclusive to our Live Online Classes. Every week, we'll spin the **Wheel of Fortune** and spend 10 minutes on any of the following: Fun Story, Quiz, Mythology, Greek Facts, Geography, Sports, and Arts!

Greek School Holiday Celebrations

New content and activities for introducing major Greek school holiday celebrations to Live Online Classes students.

28th of October

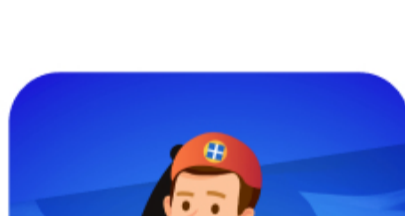

Christmas & New Year

Theophania

Easter

25th of March

Three Hierarchs

STEM

Clean Monday

New Games & Fun Activities!

We've been in full game-making mode to meet the kids' demand for new exciting games!

Myth Collector

Kids go in search of mythology collectibles! During their epic search, they have to stay alert to avoid all kinds of obstacles!

Sophia Flight!

Our fun take on a classic mobile game with a twist! Kids learn to count up to 200 in Greek, making the gameplay a fun and educational experience!

Parents

A close connection with you is as essential for online classes as it is for offline classes. This way we ensure the best progress possible for your child, and the continuous optimization of the educational experience we offer.

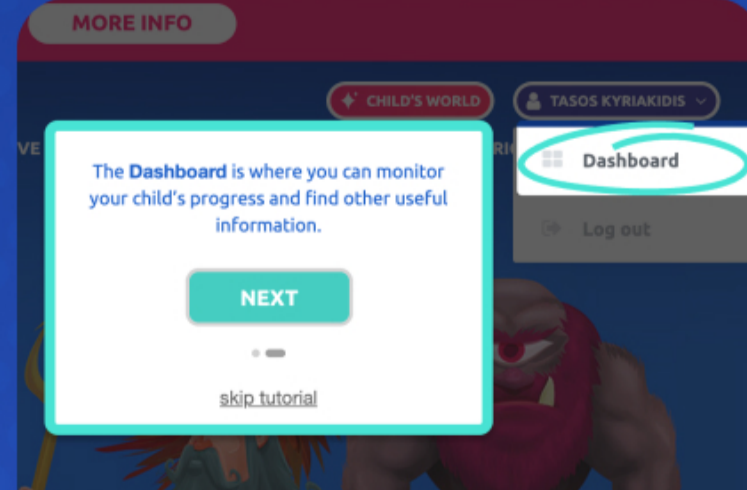

Parent-Teacher Meetings

Your child's Live Online Classes teacher keeps you updated about your child's educational journey during personalized Parent-Teacher Meetings.

Monthly Orientation Meetup

Our teachers will host online Monthly Orientation Meetups and explain how to use the platform and answer all questions

New Tutorials

New tutorials are coming soon, to help you navigate and make the best use of the platform, and much more!
