CALL FOR ABSTRACT SUBMISSIONS

We are pleased to invite abstract submissions for oral and e-poster presentations at this year's conference.

Submissions are welcome under the following themes:

- Innovation in Emergency Medical Services (EMS)
- Case Studies / Reports – This includes cases that provide learning opportunities for EMS providers.

All abstract submissions will qualify for the early bird registration fee automatically.

Ten selected abstracts will be accepted for oral presentations. If the presenter's registration fee is not received by 10th November 2025, it will be assumed that the presenter does not wish to proceed.

All other accepted abstracts will be eligible for e-poster presentations.

We look forward to learning about your valuable contributions to the field.
