- 1.6.10 Baking a crust before adding the filling in pastry is known as ... (10)

TOTAL SECTION A: 40

SECTION B: HOSPITALITY CONCEPTS AND HEALTH AND SAFETY

QUESTION 2

2.1 Study the adapted extract from *The Daily News* below and answer the questions that follow.

Some restaurants have no standards of hygiene

I have observed that the owners of many big restaurants and food outlets do not have any regard for food hygiene. Many were not wearing gloves and mixing food and dough for pizzas with their bare hands. In addition, as there is no air conditioning in these kitchens and the staff are sweating profusely. I have also witnessed some of their staff picking their noses, touching (bleeding) cold sores on their lips and/or wiping their sweat onto the kitchen cloths in the restaurant preparation area.

Aswin K Singh – Durban

2.1.1 Identify FOUR diseases that can be transmitted by the above practices. (4)

2.1.2 Based on your current knowledge, explain how the above practices will have an adverse effect on the establishment. (2 x 3) (6)

2.2 Explain how you will administer first-aid treatment to a staff member who has a minor burn on his/her arm. (5)

2.3 Study the business plan below and answer the questions that follow.

BETSIE'S PIES	
Name of business	Betsie's Pies
Business description	Pies on wheels
Short-term goal	To sell at least 600 pies daily
Long-term goal	To open a pie-manufacturing industry in the near future
Operational plan	Buy stock from local supermarkets and shops. Buy ingredients on a cash basis. Work alone. Deliver goods when the order has been completed.
Product description	Mutton, chicken, vegetable, sweetcorn and burger pies at R12,50 each
