

London College of International Business Studies

Strategic Plan 2019-2021

Vision

Our vision is to become a leading international provider of Higher Education in the UK, Africa and across the world by advancing the delivery of transformative education to promote and drive the growth of global citizens.

Mission

Creating a global educational community and maximising learning opportunities through technology, we will make a positive and life-long impact on individuals, their wider communities and the broader economies we engage.

Values

Commitment: Committed to student success | **Empowering:** Feel empowered to succeed
Integrity: Be true, be real, be an example of the highest standard | **Inclusive:** Opportunities for all
Collaborative: The power of collective genius | **Global:** Like education, we have no borders
Entrepreneurial: Creating and exploring new opportunities

Providing a distinctive student experience

- SE1. Providing unified and clear information, advice and guidance to allow students to make informed decisions throughout their journey.
- SE2. Ensuring an inclusive student-oriented approach to support engagement and fulfilment of student ambitions.
- SE3. Putting the student voice at the centre of delivery.
- SE4. Developing a sense of belonging and culture of a positive student citizenship.
- SE5. Fostering an environment of cultural, ethical and professional awareness.
- SE6. Producing knowledgeable and skilled graduates ready for engagement in business in local and global markets through employment and entrepreneurship.
- SE7. Building a learning community that enables continuous engagement which supports retention.

Building Sustainable Educational Partnerships

- EP1. Establishing and developing long-term relationships with Higher Education Providers and creating a global platform for knowledge exchange and transfer.
- EP2. Providing a wide range of opportunities for students through links to business and industry.
- EP3. Collaborating with external validating bodies to widen access to education.
- EP4. Providing a platform for skills enhancement through collaboration with professional bodies.
- EP5. Underpinning all activity with robust practices in line with regulatory frameworks.
- EP6. Partnering with students in the development and implementation of strategies to support student success.
- EP7. Embedding research informed teaching through a collaborative platform.

Offering innovation and collaboration in teaching and learning

- TL1. Developing inspiring and effective learning through various modes within the digital and physical environment, accessed globally.
- TL2. Achieving recognition as a centre of excellence for innovative delivery, quality of teaching, assessment and feedback.
- TL3. Providing opportunities for student attainment and encouraging enterprising and academic ambitions in a stimulating learning environment.
- TL4. Offering an evolving curriculum inspired by research and delivered through dynamic and progressive teaching methods.
- TL5. Establishing an environment of nurturing talent and building on students' strengths.
- TL6. Fostering a culture of excellence through the empowerment and continuous professional development of staff.
- TL7. Achieving Degree Awarding Powers through quality assurance and the embedding of academic standards.
