

Product description

Pillar soy wax (trade name SoyWax Pillar) is a blend specifically developed for the production of pillar candles. It is suitable for further blending with fragrances and oil-soluble dyes. The blend is biodegradable and vegan-friendly. No animal products are used, and no animal testing has been carried out in its manufacture.

Due to the prevalence of genetically modified soybean crops on the market, entirely non-GMO sources cannot be guaranteed, but the manufacturer aims to source non-GMO soybeans wherever possible.

Physical properties

Test	Method	Specification	Typical
Congealing point °C	ASTM D938	43–52	47.0
Melting point °C	IP371	57–63	60.0
Viscosity at 100 °C	ASTM D445	7–10	8.4 cSt
Penetration at 25 °C	ASTM D1321	25–40	32 dmm
Colour	ASTM D1500	1 max.	0.7

Packaging

Available in the pack sizes offered by Erfello (www.erfellostore.ro).
