FEZ SIDE TABLE OVAL / ROUND
Nao Tamura

FEZ is a side table with a cone-shaped base and either a round or asymmetrical top, inspired by birds balancing on small perches. The small version features a round top, while the larger has an oval top. Subtle compression details emphasize the connection between top and base, while the tabletop rotates 360 degrees, reinforcing a sense of balance and movement.

THE DESIGNER

Nao Tamura originally studied communication design but her work today is extremely varied, taking in conceptual art, lighting, product and graphic design, among others. She draws inspiration from an evolving mixture of cultures, disciplines and concepts, resultingin beautiful and gently emotive solutions for a wide range of contemporary scenarios.Tamura moved to New York in 2010 and is now based in Brooklyn. She has exhibited atthe Palais de Tokyo museum in Paris, as well as Milan Design Week, Design Miami andTokyo Designer's Week and has won a number of accolades, including a Good Designaward from The Chicago Athenaeum Museum of Architecture and Design and the ADICompasso d'Oro International Award.

Care & Maintenance

This product is crafted from powder-coated iron with refined surface finishes. To preserve its appearance and material integrity, please observe the following care guidelines:

- Clean with a soft, dry cloth or a lightly dampened cloth as required.
- Avoid abrasive materials, aggressive cleaning agents, or solvents, which may compromise the surface finish.
- Any liquid spills should be removed promptly to prevent marking or discolouration.
- Do not expose the product to prolonged moisture, excessive heat, or direct sunlight.
- Use protective pads or coasters when placing objects on the surface to minimise the risk of scratches.
- Intended for indoor use only.

With appropriate care, the materials will develop a natural patina over time while retaining their intended character.
