for tough stains.

# GRID LOCKERS

## Ronan & Erwan Bouroullec

**Type**  
Storage

**Design**  
2021  
**Designer**  
Ronan & Erwan Bouroullec

The GRID lockers are 2m long and 60cm in depth. It has a robust powder coated steel frame with contrasting colours, and larch veneer panels, metal grid mesh, or upholstered panels on the sides and back. The structure is offered as a shell for lockers, which can be purchased from suggested manufacturers. The lockers can be specified as a full width unit, or it can be halved to use one side as a coats hanger. The base tabletop can be offered in a larch veneer or high-pressure laminate.
