LUCIO Sebastian Wrong

LUCIO

Sebastian Wrong

The Lucio combines maximum comfort with minimum weight to create a super-supportive chair that's easy to move and offers a distinctive, graphic profile.

The generously sized Lucio high-back chair and Lucio lounge chair offer reclined and relaxed seating positions, with flowing forms cleverly supported by sprung webbing that shapes to the user for extra comfort. The foam-and-fabric body of each chair is connected to its tubular steel frame with a textile cover.

Ideal for breakout spaces, the Lucio range has the option of an integrated side table that pivots for ad-hoc working.
